

Insurance Institute

Congratulations to the class of 2019

When life happens, it's good to know there are more than 18,000 Chartered Insurance Professionals (CIPs) working in the property and casualty insurance industry throughout the country.

Why does the CIP designation matter to you?

When disaster strikes, you want an educated, knowledgeable insurance professional with up-to-date information.

Chartered Insurance Professionals help maintain the high standards of the industry, and can be found in many industry roles including brokers, underwriters and claims adjusters.

They work to provide a better insurance experience for Canadians—like you—who depend on quality insurance service.
