Beyond the CIP

The CIP gives you a solid foundation for an exciting career. After you've earned your designation, you can enhance your education with these options:

**RISK MANAGEMENT CERTIFICATE**
- Three-course program.
- Tailored p&c content to further your risk qualifications, and prepares you to take the CRM designation exams.

**COMMERCIAL INSURANCE CERTIFICATE**
- Three-course program.
- Encompasses the daily skills and competencies needed for crafting commercial solutions.

**ADVANCED CIP (ACIP)**
- Four-course program.
- Increases your problem-solving, critical thinking and communication skills.

**FCIP**
- Six-course program.
- Prepares you for leadership: a comprehensive business education with a unique p&c focus.

Flexible learning options

- **CLASSROOM**
  - Hosted by local institutes, chapters and by some colleges and universities.
  - Physical classroom environment.
  - Learning activities occur on a specified day and time (synchronous learning).

- **INDEPENDENT STUDY**
  - Hosted nationally by The Insurance Institute of Canada.
  - Any location. Course accessed via supplied materials & email.
  - Online interactions and learning activities occur any day or time (asynchronous learning).
  - No instructor/facilitator.
  - Tutor available.

Program Overview

Today's property and casualty (p&c) insurance professionals work in a demanding and ever-changing environment. The CIP program provides an enriching combination of courses that are designed to help you grow as a professional and expand your knowledge into areas of the business you may not be familiar with today.

**PROGRAM BENEFITS**
- Provides a comprehensive, well-rounded learning experience
- Gives you the essential p&c knowledge that you can put into practice
- Allows you to focus on one or more key industry roles
- Keeps you updated on industry trends
- Gives you opportunities to network with others in the industry

**THE CHARTERED INSURANCE PROFESSIONAL PROGRAM CAN BE TAILORED TO YOUR INTERESTS OR CAREER PATH**

The CIP program is designed with flexibility in mind, no matter where you are in your insurance career. Our range of courses enable you to explore a specific career path or keep your options open with a broader perspective.

**CIP & Your Career**

No matter where you want to take your insurance career, earning your CIP gives you the tools you need to excel and succeed.
